

Install sumUp for Jira

Install **sumUp for Jira** directly from your Jira instance

You need to be a Jira administrator to install apps!

1

Click on the **cog** icon on the top right bar and select **Manage apps**

2

The Atlassian Marketplace will be displayed, in the search bar type in **sumUp for Jira**

3

The app will appear on the list, click on **Free trial** or **Buy now** and then **Accept & install**.

The screenshot shows the Jira Administration interface. In the left sidebar, under 'ATLASSIAN MARKETPLACE', the 'Find new apps' link is highlighted. The main content area is titled 'Atlassian Marketplace for JIRA'. A search bar at the top of the marketplace contains the text 'sumUp for Jira'. Below the search bar, the 'sumUp for Jira' app is listed. The app details include the Decadis AG logo, a list of features (CUSTOM FIELDS, DASHBOARD GADGETS, JIRA SERVICE DESK, JIRA SOFTWARE, PROJECT MANAGEMENT, REPORTS), a 4-star rating with 112 reviews, and 3,458 installations. A 'Free trial' button is highlighted in the top right corner of the app card.

4

After the installation, the app is ready to use and you're ready to **get started!**
