## New feature

Finally, drill down on dates right on your Jira dashboards!

Introducing **extended date field support** for our [Two Dimensional Filter Statistics](#) and [Grouped Filter Results](#) gadgets: Slice and dice your data with date fields. Whether you're craving a daily dose of data, a weekly wrap-up, a quarterly Q&A, or a yearly yield, you can adjust your gadget view to suit your needs:

Grouped Filter Results (by sumUp): Marketing Campaign cost analysis
