

xCharts Release Notes 1.1.1

Release date	20 Feb 2017
Release type	<div>MAINTENANCE</div>
Highlights	New chart & report templates, relative time parameters in templates

New features

- New built-in charts: Top 10 Commenter, Top 10 Reporter, Release Versions Chart
- Relative time parameter - choose time relative to the current date, very useful for periodic reports /charts (in Release Versions Chart, Time Frame Chart, Worklog Simple Group By Report)
- Welcome Page - a preview of xChart capabilities when installing the plugin

Improvements

- Alphabetical sorting of charts
- Show default parameters in preview charts
- Project Page has by default useful project charts
- removed "Issues in Status" Chart - can be viewed with the Issue Chart

Bug fixes

- Show Names instead of IDs in Worklog Chart (grouped by user)
- Render Who's Working by JQL Chart correctly
