If you choose to configure a screen you will see, that each field now has an ID as text. This will make it easier for you to locate your field.

System fields provide 

BLUE

 IDs. Custom fields provide 

YELLOW

 IDs.

## Configure Screen

USED BY 1 PROJECT

This page shows the way the fields are organized on **DEV: Scrum Bug Screen** screen.

Note: when the screen is shown to the user only non-hidden fields that the user has permissions t

Field Tab  

Field	ID	Type
 Summary	<a href="#">SUMMARY</a>	System field
 Description	<a href="#">DESCRIPTION</a>	System field
