Admin Toolbox Release Notes 2.6.2

Release date	19 Jul 2018
Release type	MAINTENANCE
Highlights	

Project filtering has been removed in this version because Jira 7.11.0 allows filtering of projects also in the administrative section.

Compatibility

- Compatibility with Jira 7.11.0

New features

- **Links in the Project Shuttle** - possibility to add internal/external links in the Project Shuttle.

Bug fixes

- "Bulk delete items" button is not clickable in Jira 7.0.0 because of the tooltip.
