xCharts Release Notes 1.7.5

Release date	22 Nov 2019
Release type	MAINTENANCE
Highlights	

Bug fixes

- A vertical line was displayed for gauge pie or donut charts in the **Versions Release Dates** chart template
- **External libraries** are now included in the add-on packages instead of being downloaded from third-party websites
- External file selection did not work properly for **Windows Server** deployments
- No warning message was displayed for the **xChart Gadget+** when the underlying chart was deleted or the permissions were changed
