

Install sumUp for Jira Cloud

Installing sumUp for Jira Cloud is straightforward:

1. Get the sumUp app from the [Atlassian marketplace](#)
2. Add sumUp for Jira Cloud directly from your UPM:

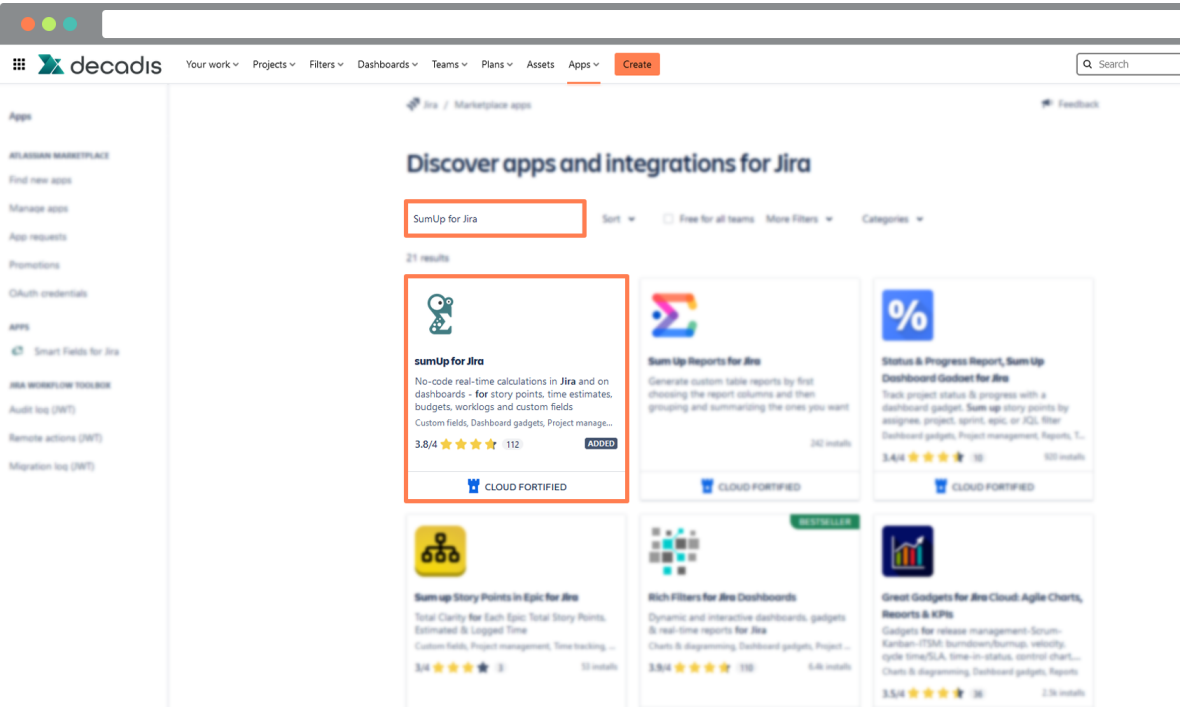

1

Head over to **Apps** Explore more apps.

2

Search for **sumUp**.

Have a look at [First steps](#) to start customizing your **gadgets**.

3

If you still have questions, feel free to refer to our [support](#) team.
