

Sort Jira entities

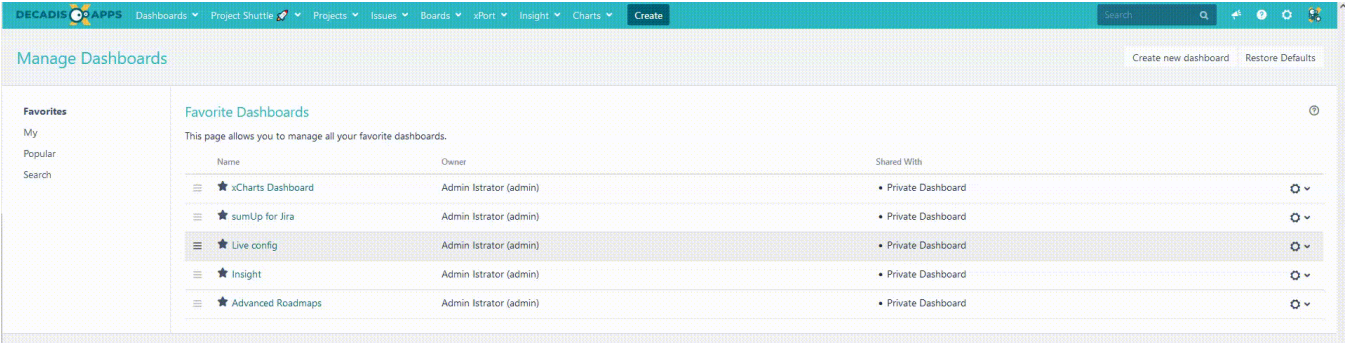

The following elements can be ordered via **drag and drop**:

- Project shortcuts SINCE 2.12.0 (expanded project sidebar only)
- Post functions
- Conditions
- Validators
- Resolutions
- Priorities
- Statuses
- Dashboards
- Custom select list options
 - Checkboxes
 - Single select options
 - Multi-select options
 - Cascading select options

Pick the item you would like to move on the left-hand side: Dots show you where the item is pick-able.

Dashboards

Head over to **Dashboards** **Manage dashboards**

Priorities

Head over to Jira administration (cog icon) **Issues** **Priorities**

Priorities

The table below shows the priorities used in this version of Jira, in order from highest to lowest.

Add priority ... ⓘ

Name ▾ Related Schemes ▾ 10 ⏪ ⚙

ID	Icon and name	Description	Color	Used by	Actions
1	 Blocker	The problem will block progress.		3 schemes	Edit Delete
10000	 Highest	This problem will block progress.		1 scheme	Edit Delete
10001	 High	Serious problem that could block progress.		5 schemes	Edit Delete
2	 Critical	Crashes, loss of data, severe memory leak.		2 schemes	Edit Delete
3	 Major	Major loss of function.		1 scheme	Edit Delete
10002	 Medium	Has the potential to affect progress.		4 schemes	Edit Delete
5	 Trivial	Cosmetic problem like misspelt words or misaligned text.		1 scheme	Edit Delete
4	 Minor	Trivial problem with little or no impact on progress.		4 schemes	Edit Delete
10003	 Low	Minor problem or easily worked around.		5 schemes	Edit Delete
10100	 Lowest	Trivial problem with little or no impact on progress.		1 scheme	Edit Delete

Resolutions

Head over to Jira administration (cog icon) Issues Under issue attributes **Resolutions**

[View Resolutions](#)

The table below shows the resolutions used in this version of Jira, in order they are displayed to the user.

- [Translate resolutions](#)
- [Clear defaults](#)

Name ▾ 13 ⏪ ⚙

ID	Name	Description	Actions
1	Fixed (Default)	A fix for this issue is checked into the tree and tested.	Edit Delete
2	Won't Fix	The problem described is an issue which will never be fixed.	Edit Delete Default
3	Duplicate	The problem is a duplicate of an existing issue.	Edit Delete Default
4	Incomplete	The problem is not completely described.	Edit Delete Default
5	Cannot Reproduce	All attempts at reproducing this issue failed, or not enough information was available to reproduce the issue. Reading the code produces no clues as to why this behavior would occur. If more information appears later, please reopen the issue.	Edit Delete Default
6	Unresolved	Unresolved	Edit Delete Default
7	Done	Work has been completed on this issue.	Edit Delete Default
10000	Won't Do	This issue won't be actioned.	Edit Delete Default
10100	Rejected	This issue was not approved.	Edit Delete Default
10200	Declined	This issue was not approved.	Edit Delete Default
10300	Known Error	The problem has a documented root cause and a workaround.	Edit Delete Default
10301	Hardware failure		Edit Delete Default
10302	Software failure		Edit Delete Default
