

sumUp for Jira Release Notes 3.3.0

Release date	05 Dec 2018
Release type	
Highlights	sumUp for Jira is now Jira Data Center compatible.

New features

- When creating a second rule for a field, a Jira administrator can select if this rule should be used in the Issue Navigator.
- Added aggregate timespent option to "SumUp Progress CustomField".

Improvements

- Advanced sumUp permission management. You can now explicitly include OR exclude specific users or groups that are allowed to use sumUp.
